

誠信創新共享
供應顧客最佳零組件
成為台灣鍛造業領導者

Truth originality share
Supply customers the best components
Become the forging industry leader in Taiwan

萬凌從1965年創立至今，對冷鍛技術不斷的自我要求及提升，以最嚴謹品管流程提供最佳的加工品質，在業界深獲肯定，我們加工的零件，遍佈全世界的知名牌汽機車、腳踏車、五金零件等...

追求進步，精益求精是萬凌永恆的目標及理想，以生產最高品質的商品為原則，是我們對客戶不變的責任與承諾。

Won-link is founded since 1965. We improve and perfect our cold forging techniques constantly.

We have strict quality control flow and provide the best products which are approved by the industry.

We provide the parts in world-wide well-know enterprises of automobiles、motors、bicycles、hardware and so on.

Pursuing and aiming for the best has always been Won-link's goal.

Producing the best quality products is our responsibility and a commitment to all customers.
